Do You Eat?
We need your input!
You are invited to participate in the Santa Cruz County Food Forum

Saturday, February 26th, 2005
9AM to 5:30 PM -- Lunch provided!
Cabrillo College Cafeteria, Aptos

If you had a say, how would you change the way we produce, process, distribute and prepare food?

By attending this one-day forum you will help develop specific actions for improving the food system of Santa Cruz County. You will also help build a stronger network of people for accomplishing these actions.

Everyone who eats is invited!

Space is limited and RSVP is required. Contact Phil at (831) 459-2741 or email foodpolicy@baymoon.com

Sponsored by: Food Policy Council of Santa Cruz County working group, California Farmlink, Center for Agroecology and Sustainable Food Systems, Community Alliance with Family Farmers, UCSC Students for Organic Solutions, and Agriculture and Land-Based Training Association.
